Riesling Auslese Alte
Reben**

The 2024 Erdener Prälat Riesling Auslese Alte Reben comes from the lower plot close to the Mosel but picked early (mid-October) to keep the acidity and was fermented in stainless steel. It is savory and complex on the incredibly vibrant palate. Normally, the Prälat delivers rich, creamy, super hedonistic Rieslings, but Hermann's 2024 is enormously energetic, saline, highly stimulating and mouthwatering. A digestible Prälat? It's very rare, but here you get it. Just don't fear the acidity, because there is a lot of it. 7.5% stated alcohol. Natural cork. Tasted at the domaine in January 2026.

Hermann Lösnicher
Försterlay Riesling GG**

From 50-year-old vines on Devonian blue and gray slate with quartz in the soil, the 2024 Lösnicher Försterlay Riesling GG is very delicate and refined on the bright, elegant, filigreed, slatey and spicy nose that shows ripe, yellow fruit aromas intertwined with sur lie notes. Aged in three- to four-year-old fuders for almost a year and bottled in mid-August 2025, this is a very elegant, round and textured Riesling that is currently characterized more by its texture than certain fruit aromas or even soil features. These come out on the finish, which is concentrated, complex, saline and firmly structured, with serious phenol grip and mineral tension, thanks to the nervy quartzite veins of the Försterlay. It is very promising yet still not shining. Bone dry (0.8 grams per liter of residual sugar). 12% stated alcohol. Natural cork. Tasted at the domaine in January 2026.
